## Task Chair Product Sheet

# SOJI

## THOUGHTFUL DESIGN AND INFORMED ERGONOMICS

Soji brings your body and mind into sync – so you can enjoy healthier levels of performance, no matter where you work. Soji is a highly-adjustable task chair with more ergonomic options than most in its class packed with ergonomic features – without sacrificing comfort or design. Designed for a wide range of people, spaces, and modes of work, Soji supports employees with effortless comfort and efficiently satisfies workplace strategies for better well-being.

## KEY FEATURES

**Highly adjustable** ergonomic task chair

Designed for **broad population of users**

**Synchro mechanism with forward tilt**  
for class leading ergonomics
